HDR Engineering – Justin Stark
Miscellaneous Services and Future Projects

- 387 Sanitary Sewer Main Replacement - is on hold.
- Big D Sanitary Sewer – WYDOT has approved the plan for the proposed storm drain inlet. Installation timing is unknown.
- Prairie Creek Subdivision – Review comments related to utilities and utility easements for Phase 1 were provided for the planning and zoning committee.
- Wastewater Screening Vault Coating – Met with Sherwin Williams to discuss coatings.

RJ-9 Well Completion

- This has been submitted to the County for DEQ permitting. Bidding schedule is to be determined, preferably after permit is secured.

1MG Tank Rehabilitation

- ATS provided their evaluation report. The review indicates that the wall thicknesses are sufficient and we will now proceed with the roof replacement, cathodic protection and coating design.

AC Waterline Replacement

- Design has been on hold due to higher priority projects. The plan is to finish out design this fall.
